***This indicates that there are 2 meets back-to-back. We will NOT attend both. The Wednesday meet is left on the schedule in case the weather is bad for the Tuesday meet; therefore, we will miss the Tuesday meet and attend the Wednesday meet instead – for the safety of the athletes.**

*All meets are subject to change (add/delete). You will be provided with advanced notification of any changes.

*A team bus will be provided to the meet location for all weekday meets. Athletes must provide transportation home from the meet. Saturday meets there will be no team bus.

*Race times will be given the week prior to the meet. You will be notified of your events prior to the meet as well.

*All runners must be at all meets, unless prior arrangements have been made with the coach.

*If you miss a practice/meet for unexcused reasons, you may not participate in the next meet.

*If you are late to multiple practices, without prior permission, you may not participate in the next meet. Your effort and actions in practice will determine if you compete and in what events you compete.

*If you are late to a meet, you may not be permitted to participate in that meet. All runners are required to arrive 1 hour prior to their race – it is imperative that you are on time in order to properly warm-up for your event and report when your event is called.

*If you **must** miss practice or a meet, coaches need **advanced** notice.

*There will not be a team bus to meets. Please make arrangements, in advance, with the coach or other runners/parents if you need transportation to or from a meet.
